## 7 Equality, diversity and disability

- 7.1 All candidates for admission will be treated equally, irrespective of their or their parents' race, sexual orientation, religion or belief, pregnancy or maternity, sex, gender reassignment or any disability. Candidates will also be treated equally in respect of their parents' age, sex or marital or civil partnership status.
- 7.2 The School is inclusive and welcomes applicants with disabilities and special educational needs. The School currently has limited facilities for the disabled but will do all that is reasonable to comply with its legal and moral responsibilities under the Equality Act 2010 in order to accommodate the needs of applicants who have disabilities for which, with reasonable adjustments, the School can cater adequately.
- 7.3 Parents of a child who has any disability or special educational needs should provide the School with full details on registration. The School needs to be aware of any particular requirements which may affect a child's ability to participate in the admissions procedure and to take full advantage of the education provided at the School.

- 7.4 The School shall determine the reasonable adjustments that are required for the applicant based on the information provided, in accordance with the School's obligations under equality legislation. The School will consult with parents about the adjustments which can reasonably be made to ensure that the application procedure is accessible for the child and that the School can cater adequately for the child should an offer of a place be made.
- 7.5 In instances where provision is above the remit of the school's resources for example Occupational Therapy or Speech and Language, in order for the child to access the full curriculum, parents would be advised that an additional cost may ensue or support should be sought outside school.
- 7.6 The School serves a diverse community, and some pupils have English as an additional language. Pupils who are at an early stage of learning English as an additional language (i.e. those who join the School with little or no English) or who are at a more advanced stage of learning English but still below the level of competence expected within their age group, will require additional support from an EAL specialist. This extra provision is not included in the school fees.

## 8 Procedures

- 8.1 Prospective parents can contact the School via email to [centreadmin@buxlowschool.org.uk](mailto:centreadmin@buxlowschool.org.uk) or via telephone 0208 9043615
- 8.2 A prospectus is available to parents on request and can either be collected in person or posted out to the prospective parents. This contains information about the School, photographs and contact details.
- 8.3 To register for a place, parents are required to complete a registration form which is provided through the School's admissions portal and to pay the applicable registration fee. Pupils may be registered for entry at any time after their birth. Additionally, we kindly request copies of your child's passport, birth certificate, and immigration status (if applicable). This follows our Right to Study policy. This is available from the School on request.
- 8.4 Prospective pupils and their parents are encouraged to attend one of the School's open mornings or are welcome to arrange a tour of the School at another time. Parents should contact the School Office to make an appointment to see the Head or Nursery Manager as appropriate, in order to discuss their application. No child is admitted until personal contact has been made.

For Children being referred through EHCPs we follow a 4 step approach to ensure it is the right setting for the child:

- 8.5 Stage 1: Referrals made to Buxlow School will normally be made by Local Authorities (LA). A range of detailed information concerning that pupil should accompany these referrals. Where this is not the case, the school will seek access to such information as soon as possible including information regarding the individual's Education, Health and Social background. Senior staff will analyse all available information on the pupil to assess whether the pupil meets the admission criteria for the school. The Head of centre/SENCO will assess whether or not the school can meet the pupils needs and if so, arrange for a home or school visit.
- 8.6 Stage 2: The visits will include

A discussion around the successes and challenges experienced by the child to date

- A discussion with parents and carers regarding their hopes and expected outcomes from the proposed school placement
  - A discussion with the young person, where appropriate, regarding their hopes and expected outcomes from the proposed school placement
  - A tour of the school
  - An introduction to key staff
- 8.7 Stage 3: Following the school tour and discussions between Parents/Carers and the school, if required an assessment visit will be arranged. Potential pupils will be invited onsite for a taster session either in an appropriate class or 1:1 with therapists. Tasters range from 45 minutes to 3 hours according to potential pupil's needs and current school status. Parents/Carers will receive verbal feedback from the assessment.
- 8.8 Stage 4: If, following these visits, all concerned agree that the pupil's needs can be met at Buxlow School and that the young person can be adequately supported with the planned resources available and that the pupil and parents/carers are committed to the placement, the school will write to the LA offering a place and arrangements will be made for admission.
- 8.9 Pupils will then have 6-week assessment period after which the school will decide if the admission can move to permanent placement.

#### Admission Criteria

- The pupil will be aged between 4 and 11 years of age (EYFS, KS1 – KS2)
